FILE WRAPPER CONTINUING APPLICATION (FWC) TRANSMITTAL

WARNING: This form cannot be used where the parent case may not be abandoned since the filing of a request

under the FWC procedure "will be considered to be a request to expressly abandon the prior application

as of the filing date granted to the continuing application. 37 CFR 1.60.

WARNING: This procedure can only be used for a pending application prior to payment of the issue fee. 37 CFR

1.62(a) except if the parent application was withdrawn under 37 CFR 1.313(b)(5) *to permit consideration of an information disclosure statement under 1.97 in a continuing application." See Notice of January 9,

1992 (1135 O.G. 13-25 at 21).

WARNING: The filing of an application as the United States stage of an international application requires an oath or

declaration. 37 CFR 1.61(a)(4).

WARNING: The claims of this new application may be finally rejected in the first Office action where all claims of the

new application are drawn to the same invention claimed in the earlier application and would have been properly finally rejected on the grounds or art of record in the next Office action if they had been entered

in the earlier application. MPEP § 706.07(b).

WARNING: An application under 37 CFR 1.62 to filed by making changes by amendment to the prior application, 37

CFR 1.62(a), and not by filing a new application.

WARNING: Filing under 37 CFR 1.62 is permitted only if filind by the same or less than all the inventors named in

the prior application. 37 CFR 1.61(a)(4).

This is a request for a filing under the file wrapper continuing application procedure, 37 CFR 1.62, for a

 continuing application to permit consideration of an information disclosure statement under 37 CFR 1.97.

NOTE: The filing date under 37 CFR 1.62(a) is "... the date on which a request is filed for an application ... including identification of the Serial Number, filing date and applicant's name of the prior application". The prior application under 37 CFR 1.62(a) must be "... a prior complete application." According to 37 CFR 1.51(a) a prior complete application comprises: (1) a specification, including a claim or claims, (2) a declaration, (3) drawings, when necessary and (4) the prescribed filing fee. Accordingly, as presently worded, 37 CFR 1.62(l) does not permit the FWC procedure to be used where the prior application is pending but only the processing and retention fee required by 37 CFR 1.21(1) is paid.

The above identified application, in which no payment of issue fee, abandonment of (other than where the above identified application was adandoned under 37 CFR 1.313(b)(5) to permit consideration of an information disclosure statement under 37 CFR 1.97), or termination of proceedings has occurred, is hereby expressly adandoned as of the filing date of this new application. Please use all the contents of the prior application file wrapper, including the drawings, as the basic papers for the new application.

It is understood that secrecy under 35 U.S.C 122 is hereby waived to the extent that if information or access is available to any one of the applications in the file wrapper of a 37 CFR 1.62 application, be it either this application or a prior application in the same file wrapper, the PTO may provide similar information or access to all the other applications in the same file wrapper.

II. Inventorship statement

NOTE: "If the continuation, continuation-in-part, or divisional application is filed by less than all the inventors named in the prior application a statement must accompany the application when filed requesting deletion of the names of the person or persons who are not inventors of the invention being claimed in the continuation, continuation-in-part, or divisional application." 37 CFR 1.62(a) [emphasis added].

NOTE: "In the case of a continuation-in-part application which adds and claims additional disclosure by amendment, an oath or declaration as required by § 1.63 must be filed. In those situations where a new oath or declaration is required due to additional subject matter being claimed, additional inventors may be named in the continuing application. In a continuation or divisional application which discloses and claims only subject matter disclosed in a prior application, no additional oath or declaration is required and the application must name as inventors the same or less than all the inventors in the prior application." 37 CFR 1.60(c).

| XVIII. | Abandonment of Prior Application |
| XI | Please abandon the prior application at a time while the prior application is pending or when the petition for extension of time or to revive in that application is granted and when this application is granted a filing date so as to make this application copending with said prior application. At the same time please add the words "now abandoned" to the amendment to the specification set forth in XIII above. |
| NOTE: | According to the Notice of May 13, 1983 (103, TMOG 6-7) the filing of a continuation or continuation- in-part application is a proper response with respect to a petition for extension of time or a petition to revive and should include the express abandonment of the prior application conditioned upon the granting of the petition and the granting of a filing date to the continuing application. |
| NOTE: | "A registered attorney or agent acting under the provisions of § 1.34(a), or of record, may also expressly abandon a prior application as of the filing date granted to a continuing application when filing such a continuing application." 37 CFR 1.138. |
